

## Psycentre Assessment Directory - Recruitment

The following assessments and reports are suitable for recruitment and selection and can be purchased through our Psycentre psychometric testing service.

Please contact us at [query@psysoft.com](mailto:query@psysoft.com) to discuss your testing needs or to request sample reports of the available assessments.

The prices shown include the online administration and the named output report. All prices are subject to VAT at the standard rate.

Please note that some assessments and reports are only available to people qualified in BPS Test User: Occupational, Ability & Personality or in the specific tool (marked with \*).
